Brian,

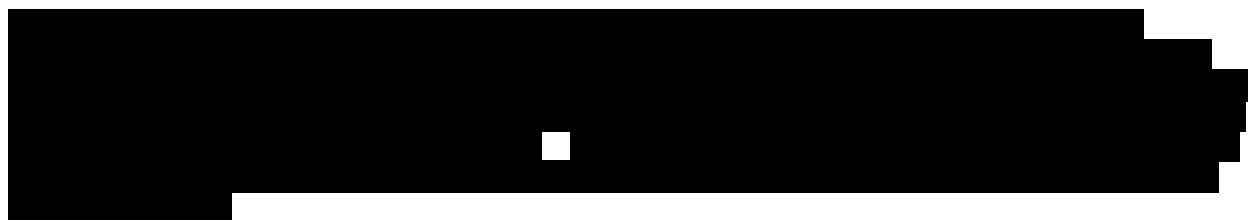

Sue handles our radiation NESHAP issues. She could take a look at the analysis on page 7. I believe she is back in the office on Monday.

John,

I have an ARLO contact. It is Brian Doster, who manages our radiation practice group. We heard from EPA Region 2 last week about the SPRU site (b)(5) - Deliberative Process, Attorney Work-Product I forwarded DOE's paper to Brian, and he plans to look at the paper.

John and Adam,

Sean Lev, who is the Acting GC at DOE, asked to speak to me tomorrow at 11 concerning an issue
(b)(5) - Deliberative Process, Attorney Work-Product

Adam - wasn't sure who minded that shop in OECA, but think it would be helpful to have someone join the call. John - would appreciate it if you could as well, unless someone else is following this issue. Have not yet had an opportunity to read the document that Sean just sent over, and don't expect you to have done so before the call. If either or both can participate, you are welcome to join me in my office at that time. Thanks,

Avi

Avi: Here is a paper on this issue, although it would be unfair to expect you to have studied this by tomorrow. I will have a few DOE lawyers on the call tomorrow; feel free to ask others from EPA. You might want to have someone from Enforcement.

Thanks

Sean
